

AdvenTreeZ

Concept

introduces you with...

TREEHOUSES ACCOMODATIONS

*have fun at night in a TREEHOUSE
designed by our new Associate Treehouses of Hawaii*

An expertise to create homes up in the trees

We propose treehouses adjacent to the adventure park for staying over night. The are samples of great treehouses that David Greenberg of Treehouses of Hawaii has designed for Hainan Island in China.

4 room
Hotel and Café
Combination

Hotel view deck

These treehouses
can be made for 2
or up to groups of 12

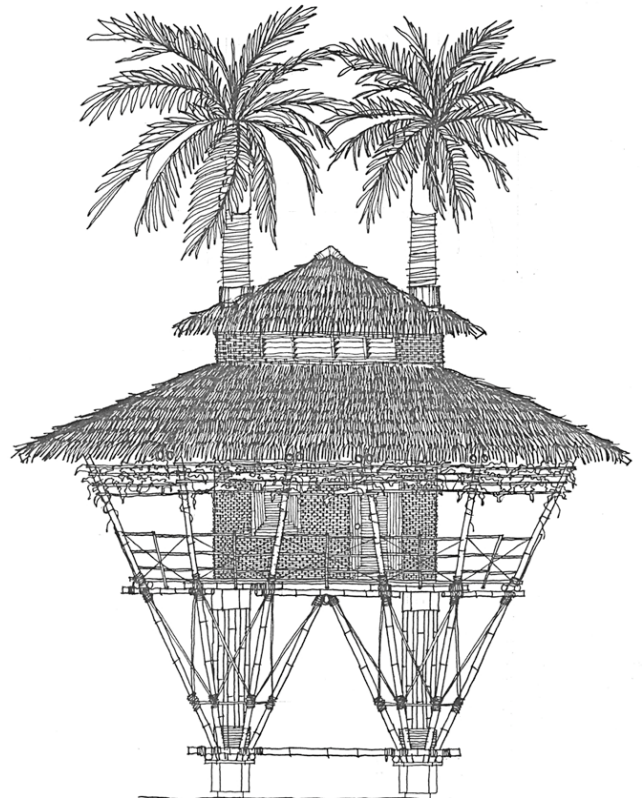

Architectures blended with nature

*Entrance to
"Big Beach
in the Sky"
treehouse
near Sanya
at Nanshan*

Customized constructions

Concept designs for future treehouses to be used just for fun, relaxation and views. Treehouses of Hawaii has made the place they put their unique treehouses famous. The always original and different ideas of David Greenberg are picked up by the International press.
