# Ready for AdventTreez ?

Adventreez Concept Ltd is a Hong Kong based company specialized in designing and building theme Parks in the trees. Adventreez is starting a new trend in Asia with this concept which has mushroomed in Europe for the past ten years.

## OUR SERVICES

- > Turnkey Eco-Adventure-Family-Park
- > Park certification (According to European standards)
- > Periodical inspection and maintenance
- > Supply of equipment (harnesses, lanyards, helmets)

The Adventreez Concept is an adventure carried out in the trees. It is made with a variety of challenges and games that put the players in position to climb, slide, crawl, cross, jump, fly over all obstacles, safely from tree to tree.

Adventreez Eco Adventure Family Parks will allow people to release the pressure of their professional lives, enhance physical skills while promoting body and mind balance. Visitors are rapidly embracing this new form of fitness that can bring the family together in a natural and energizing environment.

# Enjoy our park in Guilin

Life in a concrete jungle makes us itchy for a leave to feel real nature. Why not escape to Guilin, which is only one hour flight away from Hong Kong, for a "green journey"? Admire Guilin's spectacular Karst landscape, a brand-new outdoor, tree-top adventure course named "AdvenTreeZ" was recently established in the SevenStar Scenic Area of Guilin. Let us enjoy this exciting adventure game together!

Guilin park has been supplied by adventreez Concept Limited to Guilin Tourism Investment Co., Ltd. which operation started from August 2010. It is the first outdoor adventure course in Mainland China that fulfills international safety standards. Various obstacle courses are built up in the trees. Participants need to climb, slide, jump and fly through series of nets, ropes, swings and flying-foxes to reach the destination.

"AdvenTreeZ" integrates with the natural environment. All courses and facilities are scrupulously built in harmony with the forest. It is a perfect arena to experience and enjoy the life of Tarzan deep in the pristine environment.
